### Crossed Launch Party

Come celebrate the re-release of *Summoned*, along with the release of *Crossed*, the second book in The Summoned Series on Tuesday, September 12, 2023, at 2 pm. Join Author M.B. Thurman, Musical Artist Cherish Danae, and the *Summoned* Cast for a fun afternoon with photo ops, prizes, exclusive first looks, and more.

*Summoned* is the first book in The Summoned Series, and the re-release is slated for later this year. Hadley Weston has spent a year and a half yearning for the months she passed in the enchanting Pacific Northwest with the handsome and enigmatic Fitz MacGregor before they were forced apart.

When Hadley finds a note from Fitz inviting her to Paris, she knows she must go, no matter how dangerous it might be. But when they finally reunite, she discovers an unbelievable truth: Fitz is a witch, and so is she.

As Hadley navigates a new world of magic and invasive government officials—and rekindles her romance with Fitz, the two partner to recover a long-lost MacGregor family artifact originating in the seventh century witch trials in Scotland. Their investigation leads them to the startling discovery that a rogue witch is threatening the world as they know it, and they may be the only ones who can stop him.

*Crossed* is the second book in The Summoned Series and is releasing later this year. Just a few months ago, Hadley Weston was a PR consultant looking to reunite with her estranged lover, Fitz MacGregor. Now, Hadley has become a powerful witch and is leading a crusade to stop Dr. Lorenzo Belmonte from taking over human and witchkind. And she'll have to step into the alternate universe of Opimae to do it.

When the Crusaders get to Opimae, they're met with a magical world where witches roam free, mermaids tread the waters, and dragons soar the night sky. But things in Opimae are not as they seem. Between mistrusting witchkind governments and a possible spy in their ranks, Hadley and Fitz must find a way to win over Opimae's rulers, keep their team on track, and stop Lorenzo before he takes over completely.

In this breathtaking sequel to *Summoned*, M.B. Thurman leads her readers into an enticing new world full of magic, love, and secrets.

## The Robe's Totally Twilight Bowling Party to benefit Friends of Forks Animals (FOFA)

Justin, aka The Robe New Moon, has been familiar with the Twilight fandom for many years. After purchasing Edward's screen worn Volterra robe for his wife Monique, he created @therobenewmoon on socials and is the best hype man out there for all things Forks and Twilight.
