Our festival hosts FTF Alice and FTF Aro remind you...

All special guests are announced when confirmed, and all contracts include clauses allowing them to cancel if they get film and/or television work. In the rare case of a cancellation we always try to do our best to replace special guests. We cannot refund tickets for event admission based on special guest cancellation.

Besides the Autograph/Photograph Events, photos and selfies with special guests are at their discretion.

Autographs by special guests are only allowed at Autograph/Photograph Events.

Cosplayers are here for our enjoyment but please remember to respect their personal space.

FTF Security is provided for your safety and will be clearly identified. Our security team will remove you from the event and void your ticket, with no refund, if you harass or violate cosplayers, special guests, actors, festival staff, volunteers or attendees.

Dogs and other animals/pets are not allowed at any event where food is served, at any indoor event including Forks High School and Rialto Beach to Hole in the Wall. If you have a service animal, please be advised that you are responsible for the animal's behavior and per the Washington State Human Rights Commission's guidelines "if an animal exhibits disruptive, poor or unsanitary behavior, it would not be considered a trained service animal, and can be removed." Please note that this requirement applies to outdoor events where food is being served or is available.

Our events and venues are smoke-free environments, which includes the use of e-cigarettes.

We strive to present all events on the festival schedule, but some may be subject to change or cancellation due to weather or other circumstances beyond our control.

Our policy does not allow refunds on tickets once purchased.

CresComm Wi-Fi will be providing free internet hotspot access in designated areas during the festival and Wi-Fi is always free around the clock at the Forks Visitor Information Center - including in the parking lot after hours.

THURSDAY, SEPTEMBER 13th “Happy Birthday Bella!”

Second Beach Hike

Enjoy an early morning, guided hike to Second Beach - a coastal wilderness with wonderful views of intertidal life and sea stacks, opportunities to view wildlife like bald eagles and seals. The beach itself is about 2 miles long and once you arrive at the south end, check out ocean tide pools - and keep your eyes peeled for wolves! The forest hike to get to the beach is a .7 mile walk through the woods and has an elevation change: 80' gain and 100' loss on way in. Once you arrive at the beach, the tide pools are at the south end.

While this trail is rated easy, for those that are not used to hiking it may be harder. Your guide for this adventure is our favorite Park Ranger, Jon Preston. Round-trip total is 1.5 to 5+ miles!
