Forever Twilight in Forks Festival
The Forever Twilight in Forks Festival's mission is to provide Twilight fans with a fun-filled weekend, and feel welcomed and comfortable within our very tight-knit community. Twilight has created a unique fandom, with members from all corners of the world, and we as a team are committed to keeping that spirit alive for all those who still feel as passionate about the Twilight Saga today as they did when they first fell in love with it.

We are also dedicated to giving back to the community of Forks. Without the support of local businesses and people, our annual event would not be the success that it is. Our events are always planned with these groups in mind, creating fundraising opportunities as well, to better our beautiful town.
Celebrate all things Twilight at the premier fan event, The Forever Twilight in Forks Festival, held annually in Forks, Washington.
The History

The celebration to honor Stephenie Meyer and all things Twilight began in 2007 prior to the first Twilight movie being released. It continued for several years as Stephenie Meyer Day and Bella’s Birthday Weekend.

Then in 2015, the Forks Chamber of Commerce recreated and rebranded the celebration into a bigger event, it was renamed **Forever Twilight in Forks.**
Why Do Twilight Fans Flock To Forks?

Fans travel from all over the world to Forks, Washington – home of the Twilight Saga year-round to experience the real-life setting of the fictional story. While they are in Forks they experience the locations described in the books including the beaches and rainforest, **immerse themselves in the Saga** while visiting the Forever Twilight in Forks Collection, a free gallery of actual props and costumes used in the five movies, Forks-centric items, books from all over the world, and much more.

The **Forever Twilight in Forks Festival** (FTF) kicks it up a notch – in addition to all the amazing things Forks offers year-round, during the FTF Festival fans can hang out with actual Saga actors, and get to know the characters from the story. An acting troupe portrays the Cullen Coven, Jacob Black, the Volturi, and others featured in the story. There are themed parties, activities at the Forks High School, including a panel discussion with the Saga actors, movie showings and much more. The event is like a **fandom family reunion** where attendees get to hang with their long distance besties and Twi-family!
“Forks and the FTF Festival are loved by fans from all over the world. It’s the one time in the year that they can get together as a Fandom Family and bond over their shared love for the characters, the story, and the setting. Whether you are Team Cullen, Team Wolf Pack, or Team Volturi, you will fit right in at this fun four-day weekend!”

- Lissy Andros, Festival Director & Director of the Forks Chamber of Commerce
The Festival features four days of highly curated events geared toward fans along with several days of pre-festival events that explore famous locations along with the creative side of fandom.
